

Dubai Premium Safari Tour

□□

- Enjoy a refined desert safari with upgraded comfort and premium camp experience
- Experience classic desert activities followed by a more relaxed and organized evening setting
- Choose between shared, ATV quad bike, or fully private safari options

□□

This Dubai Premium Desert Safari offers the same exciting desert program with an upgraded evening experience focused on comfort and quality. The adventure begins with dune bashing across the desert, followed by sandboarding, a short camel ride, and a sunset stop for photos.

After the activities, you will continue to a premium concept desert camp where the experience becomes more comfortable and well-organized. The seating is arranged with tables instead of floor seating, creating a more relaxed atmosphere. The dining experience is also improved with better presentation and a wider variety of freshly prepared dishes. This option is ideal for guests who want to enjoy the desert with more comfort and better service.

For those looking for more privacy, the private vehicle option allows you to complete the entire safari without sharing the vehicle with other guests.
